

SUDDEN DEATH AT WESTERLY

Mrs. Charles H. Hinckley Has Apoplectic Shock—Seventh Day Baptist Committees in Session—Need of Public Hospital—Lecture by Dr. A. W. Halsey.

The joint committee of the tract and missionary board made report on the recent referendum of the African missionary question at a special meeting of the board of managers of the Seventh-day Baptist Missionary society, held at Westerly. These members were present: William L. Clark, George B. Carpenter, A. C. Crofoot, H. C. VanDusen, J. F. Palmer, J. H. Austin, L. F. Randolph, J. A. Saunders, Samuel H. Davis, H. M. Swinney, Alex. C. Kenyon, Ira B. Crandall, Charles H. Stanton, Clayton A. Burdick, J. Irving Mason and A. S. Bullock.

Recently the tract and missionary boards referred back to the joint committee composed of Messrs. Davis, Burdick, Crandall, Randolph and Carpenter, its recommendation that Rev. William L. Burdick be sent to investigate the interests in Africa, and asked that the whole matter be submitted to the churches by referendum. These four questions were submitted: Are you in favor of the Seventh-day Baptists engaging in mission work in Nyassaland, Africa, under favorable conditions? The answer was: Yes, 147; No, 25.

Do you favor sending some one from this country to investigate Sabbath interests and prospects of developing mission work in that field? Yes, 139; No, 140.

Do you favor sending some one to investigate, do you favor sending one or two men? Two men, 99; one man, 416.

Do you favor continuing work on present lines after July 1, 1912, even if no one is sent from here? No, 304; Yes, 573.

In keeping with the referendum vote, the committee recommended the calling of Rev. William L. Burdick and N. O. Moore to go at the earliest practical date on a mission of investigation to Cape Town, Nyassaland, and the points in east and south Africa where Seventh-day Baptist interests have been reported. The necessary traveling expenses of both men will be paid and they will be allowed \$100 each for outfit and equipment for the journey. The pulpit of Rev. Mr. Burdick will be supplied in his absence and Mr. Moore will be paid a salary at the rate of \$1000 a year.

The report was adopted and the management of the mission was referred to the joint committee with power, and the committee was authorized to fill any vacancy. The treasurer was authorized to advance funds necessary for the carrying on of this work.

By unanimous vote the joint committee was continued in office for the year 1912.

Mrs. Lydia Jane Knight Hinckley, widow of Charles H. Hinckley, who formerly owned the Hinckley farm on Hinckley hill, in the town of Stonington, died suddenly Wednesday morning in her home at 15 Lincoln street in the village of Pawcatuck, in her seventy-second year.

Mrs. Hinckley occupied the lower part of the house, and the upper tenement is rented by William Snyder. Mrs. Hinckley made a habit of Stonington, Tuesday, and, as usual, visited the Snyder family in the evening, leaving for her own apartment at nine o'clock. She was apparently in good health, and was as cheerful as usual.

Wednesday morning a neighbor, Mrs. Robert B. Taylor, called and inquired for Mrs. Hinckley, and was informed by Mrs. Snyder that she was probably on her way to Stonington, where she had overslept. Mrs. Snyder sent her daughter, Miss Annie May Snyder, down stairs, to call Mrs. Hinckley. Accompanied by Mrs. Taylor, she went into Mrs. Hinckley's apartment, and found the old lady lying on the bedroom floor in an unconscious condition.

Dr. Frank L. Payne was summoned. It was evident that Mrs. Hinckley had sustained a shock to the system, and that death was inevitable. Mrs. Hinckley died shortly afterwards. She is survived by two sons, Denison C. and John S. Hinckley, both of whom are members of the First Baptist church.

Almost weekly there is proof that one of the needs of Westerly is a public hospital where emergency cases can be properly attended to, without being compelled to seek such care at hospitals in New London, Norwich or Providence, depending upon the travel accommodations at the time that hospital service is required. There is a well equipped private hospital in the village, the property of one of the physicians, but it is practically closed to the public, and therefore does not meet the public need.

It cannot be expected that the owner will at his own expense maintain the institution for the public, and he believed the town could make arrangements to have cases of emergency treated there, for instance such as that of Natalie Maloney, who was taken to the Memorial hospital in New London, Sunday night, and died in that institution within an hour after her arrival and within three hours after the shooting occurred. With a hospital in Westerly, the town could have avoided the expense of the Maloney case, and given to such an institution, within its limits after the shot was fired that resulted in her death.

Local Licensors. There will be local bidders for the new postoffice building.

Milo M. Clark has returned from a visit to two sons in Pittsburgh.

The largest shipment of cranes ever received at Westerly, thirty cranes, arrived Wednesday, consigned to the local firm.

FACE BROKEN OUT? Pimples Replaced by Smooth, Clear Skin. Try This Remedy at Our Risk. Ugly pimples and blotches not only disfigure the face but cause unpleasant comments and suspicion. They are a form of eczema and will not yield to "beauty preparations" but demand rational treatment. It was in just such conditions that our new soothing, antiseptic skin remedy, Saxon Salve, first proved its great value. Apply it as directed on going to bed—only a few treatments are necessary to show its marvelous healing power. A remarkable feature that gives special value to Saxon Salve is its ability to penetrate the skin and carry its healing, germ-destroying action to the very seat of the disease. We give back your money if Saxon Salve does not satisfy you. Fully Broadway Pharmacy, 61 E. Engler, Norwich, Conn.

TESTIFIES PHOTOGRAPHS COULD HAVE BEEN FAKED.

Expert Optician and Photographer a Witness in Kimmel Case.

St. Louis, Mo., Feb. 28.—The last testimony in the Kimmel mystery case was given this afternoon, and adjournment was taken until tomorrow, when arguments will begin. Arguments for each side will be allowed four hours.

Testimony in rebuttal was given today by witnesses for the plaintiff, the receiver of a dry-goods store, Niles, Mich. August Ecker, who qualified as an expert optician and photographer, testified in attacking the testimony of John M. Sheldahl, Berly expert at the Auburn, N. Y., prison, where the Kimmel claimant was confined, that the photographs which Sheldahl made could have been faked.

Frederick H. Bacon, of counsel for the plaintiff, denied the claimant's charge that he refused to discuss the case with the claimant when he first met him in Auburn prison in 1908.

Condemns Primary Election System. Washington, Feb. 28.—The primary election system, adopted by many states, was attacked in the senate today during consideration of the election of Senator Stephenson of Wisconsin. Senator Hepburn said the primary opened the way for graft, and it was condemned as unsatisfactory by Senators McCumber and Overman. Senators Borah and Blawie defended the law.

"USIN' TIZ GRAMMA?" "Yes, Harold, it makes Grandma's Feet Feel Just Like Yours, Free from Tiredness, Aches and Corns!"

"Your papa and mamma, your grandpa and your grandma all use TIZ. Harold, and you'll use it, too, when you get to be a man. Then you'll never have a corn or a blister, and you'll be a man. That's why we all use TIZ."

Most of us get old, feet first. The bunions get stale, more wearisome and more stubborn as the feet become more tender. At a time when old people need their feet most, they can use them less—unless they use TIZ.

If you have never used TIZ before, your first use of it will bring back some of your childhood days. TIZ will make your feet feel harder and more vigorous. They'll never be tender, never chafe or ache, never get blistered or swollen, and your corns, bunions and callouses will be no more. Nothing will hurt you like TIZ. TIZ is an experiment with other things; other people have done that for you and they are all the wiser for it.

TIZ acts on a new principle—draws out all the poisonous excretions that make foot trouble. TIZ, 25 cents a box, sold everywhere, or sent direct on receipt of price, by Walter Luther Dodge & Co., Chicago, Ill. Recommended by all Drug Stores, department and general stores.
